

E-Safety-Using the Internet Safely

We believe it is important to equip children with skills that they can use outside of the classroom. Children in KS2 have training in ICT sessions and reminders about how to keep themselves safe when using devices such as mobile phones and computers.

This includes the safe use of the internet and social network sites such as Facebook.

Surf Safe

Tips to Stay Safe on the web.

These posters are displayed all around school. You can download one to put up at home or ask your child's class teacher for a copy.

Reporting Concerns.

If you are concerned about someone's behaviour online towards your child parents and children can report it at www.ceop.gov.uk or www.thinkuknow.co.uk

Useful links

These sites have resources on and activities that you can use with your children to help keep them safe on the internet.

www.childnet-int.org/kia/parents

www.kidsmart.org.uk

Hectors World

Link to site suitable for 5-8 year olds lots of resources you can use with children to further their understanding.

www.thinkuknow.co.uk

Cyber café suitable for 8-11 year olds.

This is an interactive site where children are given different scenarios which involve the use of a range of technologies; mobile phones, chat rooms, email forums.
