Aim

The aim of this policy is to sustain and promote a broad range of off-site Educational visits from all Brighter Futures Academy Trust Schools, whilst ensuring safe practise and competent supervision.

Background Information

Definition of an Educational Visit:

Any organised, off-site visit involving pupils that requires the permission and approval from the EVC and Head of School and the parents/carers of the pupils attending. A visit may take place at any time of the year.

Joint Educational Visits:

Joint visits by establishments are entirely acceptable and offer many educational benefits. A BFMAT (Brighter Futures Academy Trust) establishment's involvement in the organisation of such a visit may vary in terms of contribution to planning, selection of pupils or allocation of accompanying staff, however full application of approval and record keeping procedures (Policy and Guidance for Educational Visits) must be made by each establishment's EVC regardless of the number of pupils or young people attending.

The Visit Leader on joint visits must be specifically known and approved by the Head of School and EVC from each participating establishment and each establishment must be satisfied, approve and record centrally in their own establishment all the arrangements agreed.

Key Points for all visits:

- All Educational Visits must have clearly identified aims and objectives.
- All Educational Visits must have an approved competent Visit Leader.
- Approval for an Educational Visit and for the designated competent Visit Leader role is made by the Head of School and EVC.
- Local visits (usually walking distance) are covered by the annual permission letter and do not require additional consent – this may vary depending upon the age of the children and is decided by the Head of School/EVC.
- All visits must provide evidence of a prepared written risk assessment.
- Visit Leaders must carry copies of all supporting documentation on the visit, e.g. risk assessment, emergency contacts, itinerary, names and group detail.
- EVC's must retain and record all supporting documentation centrally.
- Parents must be fully informed of all arrangements.
- A charged mobile phone should be taken on all trips. Check that mobile phone coverage is in the area that you are visiting.
- School uniform must be worn unless it is inappropriate to do so, e.g. Adventurous Activities, residential visits.
- All coaches must have seat belts which must be worn.
- All children will wear either a sticker or wristband with the school name and telephone number on. (Pupil names must NOT be included)

Well planned visits lead to successful visits

OFSTED's Key Finding from its most recent report on Learning Outside the Classroom (Oct 2008) states:

- When planned and implemented well, learning outside the classroom contributed significantly to raising standards and improving pupils' or young people's personal, social and emotional development.
- The school/academy trust fully supports the vision behind the Government's 'Learning Outside the Classroom' Manifesto. We recognize that the benefits for children engaged on educational visits include:
- Raising achievement through organized, powerful experiences and opportunities.

- Participating in challenging physical activity and encouraging healthy lifestyle.
- Raising self-esteem, confidence and independence.
- Appreciating landscape diversity through exploring natural environments.
- Experiencing a range of built environments, extending their cultural awareness and widening horizons.
- Being involved in teamwork and problem-solving through residential experiences.
- Engaging pupils or young people and making learning 'real' and relevant.
- Supporting national agendas and initiatives e.g. 'Every Child Matters', new curriculum for Early Years Foundation Stage, Primary and Secondary, 'Social Emotional Aspects of Learning'.

Inclusion and entitlement

Educational visits are an integral part of the curriculum. All pupils are entitled to participate irrespective of social background, culture, race, gender, differences in ability and abilities.

Each pupil has an entitlement to experience:

- Effective learning opportunities
- Success in learning
- Achieving as high a standard as possible
- A residential experience

Teachers will set appropriate learning challenges, responding to pupils' diverse learning needs. The school/academy will make provision, with well-planned reasonable adjustments made to support pupils, enabling them where possible to participate effectively in all educational visits.

Roles and Responsibilities:

Head of School

- Must be consulted on any educational visit being organised and kept informed of arrangements, as necessary.
- Decide whether a visit is a local visit which is covered by the annual permission consent or needs additional written consent.
- Ensures that the Educational Visits Co-coordinator (EVC) is aware of his/her duties and that a clear line of responsibility is established.
- Ensures the Educational Visits Co-coordinator (EVC) is competent, trained and revalidated/accredited through Local Authority Top-Up courses every three years as a minimum.
- Makes sure through the Head of School's termly report, that governors are kept informed of the nature and progress/success of educational visits.
- Ensures adequate Staff Inset, Visit Leader Training, First Aid and CPD for Educational Visits (on EVC training we recommend half yearly inset for whole staff)
- Ensures that medical and personal/address details for all pupils or young people are updated termly or half yearly.
- Considers Insurance matters for Educational Visits and fully informs parents.
- Writes and fully informs parents regarding regular and repeated activity that is either on or off-site PE and sporting activity and fixtures or regular repeated programme of off-site Educational visits
- Ensures BFMAT policy for transporting children in cars is adhered too; cover will be checked and a copy kept by the BFMAT business manager.
- Parents are informed they have responsibility for transporting their own children to and from venues when transport is not provided.
- Ensure there is an updated 'charging and remissions policy' linked to national guidance.

Educational Visits Co-coordinator

- Promotes and 'champions' Educational Visits from the School/Academy Trust and takes a lead in policy development, monitoring, INSET and other training for Educational Visits
- Approves all visits and notifies the Trustees/LA for categories of 'Adventurous Activities' and 'Overseas Visits'.
- Approval of Educational Visits will include approving the competency of the Visit Leader and all accompanying staff (consultation with the Head of School may be desirable on occasions)
- Ensures compliance with requirements of Calderdale's Policy and OEAP (Outdoor Education Advisors Panel) National guidance on 'Learning Outside the Classroom'.
- Ensure approval, notification forms, checklists and 'Provider Questionnaires' are completed appropriately
- Ensures that all the procedures outlined in the School policy are followed.
- Supports and advises colleagues in planning visits.
- Ensures that appropriate risk assessments are completed and appropriate control measures are in place reducing risk to an acceptable level.
- Ensures that a 'Collective Discussion' regarding the 'risk assessment' process prior to the visit has taken place, this ensures ownership of the 'risk assessment' by the Visit Leader and all accompanying staff
- Ensures all staff are aware of educational visits procedures via documentation and INSET sessions, staff training and relevant meetings.
- Checks to ensure parents are kept fully informed of visit arrangements and details.
- Ensures accident and emergency procedures are in place and understood by all staff. Records of all accidents reports and near misses are held centrally in the academy/establishment by the EVC.
- Records of all visits are held centrally in the school by the EVC.
- Portfolio for each and every visit which will include lists of all participants, risk assessments itinerary and programme information.
- Ensures appropriate staff records are collated for all educational visits and then stored; including checks on staff qualifications and driving details (including car insurance with business use if transporting pupils or young people in own cars).
- Ensure records are kept of all monitoring, internal and external monitoring e.g. with local EVCs (Cluster Groups, neighbouring academy etc).
- Review staff evaluations of trips and provide and encourage staff training and CPD.
- Ensure an annual review of any generic academy risk assessments and an annual 'Fit for Purpose' review of the School Policy for Educational Visits.

Visit Leader, Teaching and Support Staff

- The Visit Leader must ensure there are clear educational aims for the visit, be specifically competent and approved as the Visit Leader by the Head of School and EVC.
- Have a thorough up to date knowledge of the School Educational Visits Policy and procedures.
- Understand the importance of the 'Collective Discussion' regarding the 'risk assessment' process prior to the visit, ensuring ownership of the 'risk assessment' by the Visit Leader and all accompanying staff
- All staff included on a visit must have a clear understanding of accident/emergency procedures.
- The Visit Leader must carry an Emergency Contact List of everyone going on the visit in addition to the Emergency Base Contacts. This list must include: names, addresses and telephone numbers, and date of birth of each child; any special medical requirements; any negative consents to medical treatment; any special dietary requirements; helpers

and the groups that the children will be in. Adult contact numbers and emergency contacts should also be carried by the Visit Leader.

- Ensure parents are kept fully informed of visit arrangements, details and itinerary.
- Plan the visit carefully and carry out risk assessments prior to visit. Ensures that copies of these details are given to the EVC in the agreed time.
- It is the Visit Leader's responsibility to give appropriate and clear information regarding risk assessments and roles and responsibilities to any additional adult/volunteer helpers, if possible invite them to take part in the 'Collective Discussion' to promote 'ownership'.
- Collate and check parental consent forms for all pupils or young people. A clear risk assessment must be made for any named child with known medical or behavioural issues.
- Complete a Post Visit Evaluation Report and give this to the EVC. This should include any 'near miss' or incidents that require a review of the risk assessment and/or evaluation of outcomes against the stated aims.
- It is the Visit Leader's and support staff's responsibility to ensure children are suitably briefed at all stages of the visit. All group members must be clear of rules and behaviour code.
- Children should be involved in the ongoing risk assessment
- The Visit Leader has responsibility for whole group and must ensure the following documentation is taken on all visits:
 - all relevant pupil or young person medical and consent information,
 - the risk assessment includes a Plan B,
 - itinerary details, emergency contact details and 'Critical Incident' emergency numbers, these will be on a laminated yellow card.
- Copies of these documents must be kept by the Visit Leader and the member of the SLT remaining at school while the visit is taking place.
- It is the Visit Leader's responsibility to ensure adequate first aid has been considered and provided for the visit and that first aid kits are taken along with individual children's medical kits and requirements as appropriate.
- All staff and adult helpers should be made aware of who is responsible for first aid. The risk assessment must show evidence first aid has been considered.
- Transport for all visits must meet LA guidance/standards. The itinerary, the arrangements and drop off and collection places must be checked and agreed upon.

Volunteers

- All volunteers on educational visits will have undertaken the school volunteer educational visit training led by the EVC.
- Volunteers without an enhanced DBS check will not be left with responsibility for a group but will always be paired with a school member of staff
- Volunteers will not accompany their own children during visits unless under exceptional circumstances
- All volunteers will meet with the Visit Leader or EVC on the morning of the visit to discuss risk assessments and other details. Volunteers will have a typed list of pupils they will be supervising and any medical needs required.

Notes on 'Risk Management' and the Planning and Preparation for Educational Visits

Thorough preparation for a visit must be undertaken. The EVC and the Head of School should be consulted regarding the arrangements, nature and purpose of the visit. The visit should have clear educational aims.

The following must be addressed in further planning:

- Matters of supervision, Provider checks, content of the day(s) activities, first aid and transport must be considered and organised in advance.
- Parents must be advised of the details of any visit and kept fully informed. Any cost of the visit must take into account the School Charging Policy.
- All necessary permission/consent slips must be obtained. No child can be taken on a visit without written consent
- Adequate adult/pupil ratios are in place, these will depend on the activities but generally they should be 1:4 in EYFS, 1:6 in years 1 to 4 and 1:8 in years 5 and 6.
- An Emergency Contingency Plan B needs to be in place, detailing alternative arrangements due to inclement weather, transport breakdown etc.
- Planning support, notification forms, provider questionnaire, checklists and generic risk assessments can be accessed through resources and information on the school network under 'Educational visits'
- Adventurous activities include:
 - Climbing: for example rock climbing, abseiling, ice climbing, gorge walking, ghyll scrambling, sea level traversing, high- and low-level ropes courses
 - Water sports: for example canoeing, kayaking, dragon boating, wave skiing, white-water rafting, improvised rafting, sailing, sailboarding, windsurfing
 - Trekking: for example hill-walking, mountaineering, fell-running, orienteering, pony trekking, off-road cycling, off-piste skiing
 - Caving: for example caving, pot-holing, mine exploration
 - Challenges and Skills: for example archery, quad bikes, assault courses, mountain boarding, initiative exercises.

How to undertake a risk assessment and who to submit it to:

In addition to the above planning, a written Risk Assessment (a statutory requirement) must be made for any proposed educational off-site visit. It should:

- Identify any significant risks which pupils or young people, staff and helpers may be exposed to and outline any control measures that will be put in place to reduce risks to an acceptable level.
- Be passed on to the EVC for consultation and approval.
- During the visit, be kept with the Emergency Contact List and other planning and risk management documentation.
- Check if the venue and/or provider have their own risk assessments.
- Ensure a suitable 'Collective Discussion' takes place regarding the 'risk assessment' prior to the visit, ensuring ownership of the 'risk assessment' by the Visit Leader and all accompanying staff.
- Any 'Generic' risk assessments must be changed, adapted or modified to suit the specific considerations and needs of the group during this discussion/meeting.
- The six main considerations in undertaking risk assessments are:
 - Type of Group
 - Staffing (ratios and competency)
 - Equipment
 - Venue/Activities
 - Travel
 - Emergency Procedures

Risk Assessments must be passed on to the EVC at least two weeks before a visit which requires written parental permission. Visits covered by the annual permission require risk assessments to be passed to the EVC 5 days before the event.

Residential Visits and other Adventurous Activities must be completed and passed to the EVC at least 4 weeks before the event in order for it to be approved by the Executive Headteacher and Chair of Trustees.

During the visit

In addition to measures documented on the Risk Assessment staff should –

- If travelling by coach, ensure driver has the school contact details
- Carry a class list/register. This is to be called before starting a trip and departing from any visit. In addition a head count should be done.
- Ensure adequate supervision and check children are always given suitable briefings in their group with their group leader and staff take regular head counts.
- Be prepared to make 'ongoing' professional judgments related to assessment of risks
- It must be made clear that smoking will not be permitted by any adults during educational visits whether school staff or volunteers.

After the visit

- A post visit evaluation report should be completed, any accident/incident details recorded and the risk assessment reviewed appropriately.
