

Primary Sports Funding at Siddal Primary School

What is Primary Sports Funding?

The government is providing additional funding of £150 million per annum for academic years 2013 to 2014, 2014 to 2015, 2015 to 2016 and 2016 to 2017 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - will be allocated to primary school head teachers.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

How will the funding be spent?

At Siddal Primary School we have developed an action plan to ensure that the money is spent on initiatives which will have a long lasting impact on the future learning and physical development of children within our school. We are also developing our school curriculum to further develop pupils understanding of healthy lifestyles and the need for regular physical activity. We are seeking to develop wider opportunities for pupils to participate in competitive sports and a wider range of physical activities.

A proportion of the funding has been spent on employing professional sports coaches to teach PE in KS2 to develop pupil participation in competitive sports. We also employ a play leader to develop pupil participation in a range of physical activities and sports at lunchtime.

We are aiming to increase pupil activity during the day by the addition of wake up and shake up before lessons start and the addition of some structured play at playtimes and lunchtimes using a play leader, sports leader and pupil play leaders.

The school has strong links with the local high school who lead on providing a wide range of competitive competitions.

Initiative	Cost	Outcomes	Impact
Use of specialist PE teacher/coaches in KS2 to work alongside staff to provide a wide range of PE opportunities and further develop skills of staff in delivering good	£2145 for sports coach 1 afternoon to work with upper ks2 pupils. Autumn 2016 and	Children have access to good quality PE /sport session in school. All staff are confident in delivering a wide range of PE/sport activities in school Children are confident in participating in a range of sport	KS2 pupils had PE lessons with a specialist PE teacher. The range of sports is varied and allowed the pupils to take part in sports which they wouldn't normally
