

Remembrance Day- Remembering those who are no longer with us...

As well as school selling a selection of items for the 'Poppy Appeal' you may have noticed our new display in the school hall, created by Year 6. To honour the men, women and animals that died in our world wars, we would like to recreate a poppy river. Below you will find two poppies for you to decorate in pen, crayon or material and return to school next week, alternatively you could create a red poppy using different materials e.g. knitting, plasticine or tissue paper. **We are hoping for everyone in school to contribute towards this display to make it a real feature of the display.**

We would like to remind everyone that this is a no-smoking site. Smoking, including the use of e-cigarettes is **not** permitted anywhere on school grounds, including the school pathway. Thank you for your support in this matter.

E safety

It is important that you know exactly what your child is using the internet for. Remember there are strict guidelines/laws to protect children online. Please be aware that anything that is uploaded to the internet is then almost impossible to remove. The legal age to join the majority of social media sites is 13 years old.

Please keep your child safe by knowing what sites they are using at all times.

Keeping your children safe

In response to the local news regarding attempted child abductions, I would like to remind all parents/carers about the importance of supervising children at all times and ensuring your child is not walking alone to and from school or after school. The staff in school have worked with the children on stranger danger and materials to support your conversations at home can be found at:

Children in Need

Pupils and staff are invited to come to school wearing their PJs on Friday 16th

November 2018 for a £1 donation to raise funds for BBC Children in Need. Pudsey pin badges and wristbands will also be sold in school for £1 at break time each day. Last year we raised an amazing £369.10 for this worthwhile cause, let's see if we can beat this!

Pass it On

On Thursday 22nd November 2018 we are holding a pass it on event. This will take place in the school playground after school (weather permitting) or the school hall.

Please can you collect at home washed winter coats, hats, gloves, scarfs and wellies that you no longer need or use. We would also like to pass on, good quality toys and books in preparation for Christmas.

Please bring these items into school on Wednesday 21st November, as we do not have room at school to store them before the event. Thank you for your continued support.
